

The Dream It, Do It Show!
Exploring the power of imagination.

The inventions and discoveries of tomorrow will come from the imagination of today's children. This fun show encourages children to use their imagination and think outside of the box.

What will the children learn?

Imagination increases brain development and growth.
Imagination inspires amazing inventions and discoveries.
Imagination promotes creative problem solving skills.

Supports STEAM objectives.

Show includes:

Comedy Magic, Juggling & Music.
10 (or more) audience volunteers!
Book references including "Oh the Things
You Can Think!" - Dr Suss

Ask about the Musical Magical Sound show! (and others)

Performance notes:

For School age and Pre-K groups (*show will be tailored to fit the audience*)

Max audience size is 200

Performance length is 45 minutes but can be shortened to fit your schedule.

Performance space is flexible but I like an 8'x8' area. One table needed.

Need access to electricity. I provide sound system.

Set up / take down time is 30 minutes.
